**GENERAL OBJECTIVES:**

AddTex Erasmus+ project aimed to create innovative training and learning materials in the field of advanced textile materials, and stimulate a sense of initiative and entrepreneurship in learners and workers, and reinforce the role of clusters as bridges between the world of education and businesses.

**SPECIFIC OBJECTIVES:**

- to facilitate the flow and co-creation of knowledge between higher education (HEI) and vocational education and training (VET), research, public sector and business sector within the advanced textile materials sector to foster new, innovative and multidisciplinary approaches to teaching and learning.
- to stimulate a sense of initiative and entrepreneurial attitudes, mindsets and skills in learners, educational staff and other workers, in line with the Green Deal and Entrepreneurship Competence Framework.

**SCIENTIFIC CONCEPT:**

AddTex Erasmus+ aimed to co-create multiple outputs, including a Massive Open Online Course (MOOC) and its associated training platform, a mobility programme, and new hubs for industry upskilling.

**OBTAINED RESULTS:**

- ✓ 9 courses developed (courses about smart, digital and green transitions for Technicians and Graduates, Engineers and Professionals or Managers and Mentors)
- ✓ 45 video lessons recorded
- ✓ 9 case studies developed (1 for each course)
- ✓ 54 quizzes (5 quizzes for each lesson, plus one quiz for each case study)
- ✓ INCDTP developed the analysis of the textile & leather sector concerning the green-smart-digital technologies implemented in Romanian SMEs and HEI;
- ✓ Researchers (Aileni Raluca Maria, Stroe Cristina, Radulescu Razvan, Sarbu Teodor, Grosu Catalin) from

INCDTP were involved in the development of 6 course modules:

1. Data Acquisition, Visualisation and Analytics (for Managers and Mentors), Author: **Aileni Raluca Maria**, Trainer: **Aileni Raluca Maria**
2. Data Acquisition, Visualisation and Analytics - Mathematical methods to process experimental data (for Engineers and Professionals), Authors: **Radulescu Razvan Ion**; Trainer: **Radulescu Razvan Ion**
3. Data Acquisition, Visualisation and Analytics (for Technicians and Graduates), Authors: **Aileni Raluca Maria**, **Radulescu Razvan**; Trainer: **Aileni Raluca Maria**
4. Innovations linked to smart/intelligent textiles (for Managers and Mentor), Authors: **Aileni Raluca Maria**, Radulescu Razvan Ion; Trainer: **Aileni Raluca Maria**
5. Innovations linked to smart/intelligent textiles (for Engineers and Professionals), Authors: **Stroe Cristina**, **Radulescu Razvan**; Trainer: **Radulescu Razvan**
6. Innovations linked to smart/intelligent textiles (for Technicians and Graduates), Authors: **Stroe Cristina**, **Radulescu Razvan**, **Sarbu Teodor**, **Grosu Catalin**; Trainer: **Radulescu Razvan Ion**
  - ✓ INCDTP organised a Workshop ADDTEX MeetUp on 7.11.2022
  - ✓ INCDTP organised a first Living Lab ADDTEX Erasmus+, organised in 16/12/2022, online (Google Meet)
  - ✓ INCDTP organised a second Living Lab ADDTEX Erasmus+, organised in 19/12/2022, online (Google Meet)
  - ✓ Researchers from INCDTP contributed to deliverable D2.4. Mobility Report
  - ✓ Researchers from INCDTP contributed to the Handbook of the Future of Work Best Practices (<https://www.addtex.eu/wp-content/uploads/2024/11/HANDBOOK-original.pdf>)
